

District Shoppes

LOCATED IN LAKE MARY, FLORIDA

District Shoppes

A Konover South Development

Located in the heart of Seminole County and serving the greater Lake Mary, Heathrow, and Sanford communities, **District Shoppes** is Konover South's newest ground-up retail development. District Shoppes will feature a best-in-class mix of restaurants, specialty coffee, quick-service dining, a nationally recognized grocer, cutting-edge fitness, specialty and boutique retail, and other complementary uses—many of which are currently underrepresented in the surrounding market.

District Shoppes will be the newest and final addition to the highly successful Colonial TownPark development, located at the northeast corner of International Parkway and HE Thomas Jr. Parkway (Seminole County Road). It will join an established lineup of retailers including **Publix, AmStar Cinemas, Duffy's Sports Grill, Starbucks, Woof Gang Bakery & Grooming, F45, Ruth's Chris, and Cold Stone Creamery.**

Situated at the southwest quadrant of the I-4 and SR 429 interchange, District Shoppes benefits from exceptional regional accessibility, with more than 220,000 vehicles per day traveling through the corridor. Its strategic location provides convenient access to a customer base extending well beyond the immediate trade area while maintaining strong connectivity for residents, employees, and visitors throughout Colonial TownPark.

Positioned on the north end of the Colonial TownPark development, the new retail district is thoughtfully designed to complement the existing 1.04 million square feet of office space and is integrated through a network of both vehicle and pedestrian connectivity, creating seamless accessibility for the area's growing residential population, expanding daytime workforce, and surrounding regional developments.

Complementing the retail component, a Class A, mid-rise multifamily community featuring approximately 315 apartment homes will be simultaneously developed immediately adjacent to the District Shoppes, further strengthening the area's live-work-play environment. Whether you live here, work here, or are simply passing through, District Shops will be a vibrant new destination serving one of Central Florida's fastest-growing communities.
